

RADIAL PLUS

Calitatea testată în timp!

Radial Plus este una dintre cele mai mari fabrici de elemente prefabricate din beton și beton armat din Republica Moldova. În ultimii 30 de ani ne-am afirmat ca partener de încredere în industria construcțiilor și amenajărilor exterioare. Experiența și portofoliul companiei Radial Plus numără mii de proiecte care celebrează excelența și performanța, și contribuie la dezvoltarea infrastructurii, a clădirilor durabile din întreaga țară și a celor mai estetice decizii de design exterior în sectorul privat și public.

Radial Plus este o moștenire în a doua generație, marcată de dedicație și efort constant în consolidarea calității produselor. Fondată cu scopul de a oferi soluții durabile și eficiente pentru sectorul construcțiilor, compania a investit neînterupt în tehnologii avansate și în perfecționarea proceselor de producție.

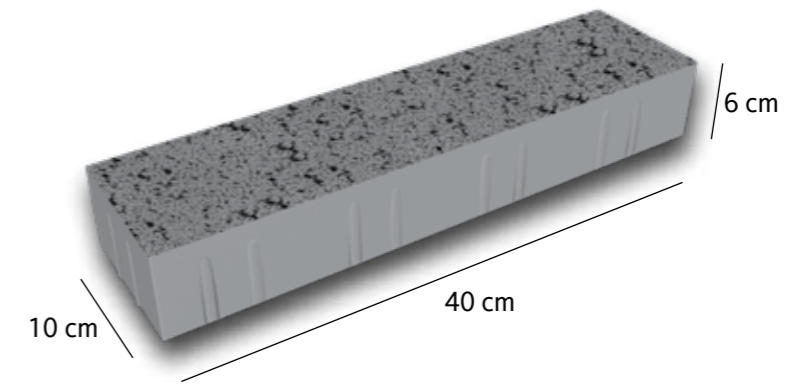

Radial Plus utilizează echipamente de ultimă generație și respectă standardele internaționale de calitate, asigurându-se că elementele fabricate îndeplinesc toate cerințele tehnice de siguranță în exploatare și producție. Totodată, Radial Plus se aliniază la tendințele mondiale de minimizare a emisiilor de CO2 derivate din procesele industriale și implementează strategii atât la nivel tehnologic, cât și în comunicarea cu publicul. Încurajăm procesul de “urbanizare verde”, iar mobilierul stradal de la Radial Plus, transformă proiectele de infrastructură pentru parcurile din localități și zonele rezidențiale în adevărate oaze emitente de oxigen.
